SUBSCRIPTIONS MARCH 2022 – FEBRUARY 2023

PLEASE USE THIS FORM TO SUBSCRIBE NOW

Just £5.50 will get you 12 copies of the Four Marks News. Once again we are giving subscribers one FREE magazine this year.

We offer a despatch service direct to your home address on or before publication day each month. The magazine costs the same price, with postage and packing being the only extra. Due to substantially increased postage rates over the year we unfortunately need to increase the postal subscription to £32 for the coming year.

Will WI subscribers please note that it will not be possible to buy your subscription at a WI meeting in future. Completing and returning this form with your money is the only way to make sure that you have a subscription from March, although you can still collect your copy at each meeting.
